

EPSON PowerLite® S1

Small price. Big performance.

What if there was a projector that could deliver the brilliant, full-featured performance that your business presentations require—all in a sleek, economical model? Meet the EPSON PowerLite S1. This multifunctional SVGA performer offers an extraordinary value. In fact, it's so affordable, you may want to purchase one for each department, plus one to take on the road. With a convenient carrying handle, this 7 lb ultraportable is easy to transport. Compatible with both Windows® and Macintosh® systems, it facilitates flexible setup in any setting with multiple inputs for both computer and video presentations. And, with 1200 ANSI lumens and a 400:1 contrast ratio, it offers remarkable image quality, even in well-lit rooms.

Designed by the world leader in high-performance projectors, the EPSON PowerLite S1 delivers a phenomenal value without sacrificing quality or performance. And, it's backed by legendary Epson reliability, so you can be sure your projector will keep up with your most demanding presentation requirements.
